*Walking the Walk*

*A seasoned leader ...

commitment, experience  
and knowledge of  
Loudoun to grow our

Board of Supervisors.*

Mark Sell has been “walking the walk” with all of us in the LCRC for nearly a decade. He has been there as a “boots-on-the-ground” activist, served in leadership as Treasurer and Rules Chairman, and fought on the front lines for conservative principles. Mark knows our County, knows our politics and knows the rules ... and we know him and his extraordinary capabilities and commitment.
